

Hello friends,

This is the newsletter for the week of April 12-18.

Announcements

- Welcome back! We hope you had a fantastic week off (or at least a productive time with CBP). Since P4 is going to be busy, the student society is putting together this newsletter to keep information in one place (send love Bill's way for the suggestion!) We try our best to include everything, but please bear with us if corrections are made. We're only human after all :^)
- Strava challenges are back for P4! Interested in earning a gift card? Message Arjun with your goal and post your updates to strava here: <https://www.strava.com/clubs/mmstudentchallenge>

Class deadlines

- Thursday, April 15th at 10am - BASC Kristen's Cookie Case Due
- Saturday, April 17 at 11:59pm - CBP Status Report #2 Due
- Monday, April 19 at 10:00am - BAHHR In-Class Quiz

Club initiatives

We now have clubs! That's right, your fellow students have started up initiatives to help build a stronger MM community such that when groups meet up, it's not always for projects! Be sure to support your peers, rather it to actively engage or to come and show support. It's a great way to build your network and make friends. If you're interested in making a club, contact Manan!
